The above should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished we could have a wonderful world.

Freedom of speech and media safeguards freedom.
Our Constitution and Universal Declaration of Human Rights gives us many Freedoms.
Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, Mslm terrorists who nearly caused hundreds of deaths of children and Warren workers in 2026. And over 49,000 Mslm terror attacks since 9-11 worldwide and killing nearly 200 in USA.

And there are the greedy 1% who have excessive wealth dodge taxes, and Corporations who don't pay a living wage. We now have the resources to provide good clothing, food, housing, medical care and education to all citizens..

Before the first entry we acknowledge that there are many Heroes and Volunteers who declined to have their names put in this history because they choose to do good work anonymously. I will call these our Anonymous Heroes. Several of these have put in hundreds of hours doing good work in our community. We give them our thanks and gratitude for their wonderful works.

Roger S. Laske; A Short Autobiography St Clement thru 8th grade

I was born in Detroit in 1940. My mother and I next moved to Hamtramck to live with my maternal grandmother while my dad was in the Army in WWII. Our next moved was to an upper flat in Detroit in 1943 near the City Airport. I had been attending Holy Name Elementary School a few blocks south of McNichols (6 Mile Rd) at Van Dyke Avenue.

My parents, Chester and Stephanie Laske, moved to Center Line late in 1948 with my sister Patricia and me. They purchased a house on Edward Street, just east of the cross-street, Automobile. I completed my second grade at St. Clement Grade School and attended St. Clement through the 8th grade, which was in the “new” St. Clement School.

I attended De La Salle Collegiate High School in Detroit, then located near Detroit City Airport, near
Connor & Gratiot Streets. There were two other students that attended DLS from Edward Street, Jerry
Radlinski and Jim Martin. Before I got my Driver's License, there were a a few others from the Center
Line area that drove us to school, notably Peter Tranchida, Donald Groesbeck and Roger Schoenherr.
While attending high school, I worked at the Mobil gas station on the corner of Van Dyke and Gronow,
washing cars by hand. When I turned 16, I was legally able to pump gas for the customers. The gas
station was owned by Bob Brinker & Carl Rutley and was previously owned by Hank Gietzen. In 1957 Carl

Rutley bought the Standard Gas Station on the NE corner of Van Dyke & Central Streets so I went with
him then. Fortunately, my girlfriend, Jean Skavery, lived just down the street.
I attended the University of Detroit School of Engineering, majoring in Architecture for the years 1958 to
1960. In the summers of 1958 through 1960, I worked at the Chrysler Missel Plant doing electrical
schematic drawings and Federal Department Store on 7 Mile & Gratiot. In September 1961 I married a
St. Clement girl, Jean Skavery at the “New” St. Clement Church, being the first marriage at the church.
We then moved into the Kramer Homes Coop on 10 Mile Road in Center Line.

I had quit college at U of D and started a job at Fisher Body Division of General Motors at the newly
opened GM Tech Center as an Engineering Illustrator. My job included creating assembly drawings, visual
slide presentations, and traveling to the GM Assembly plants to facilitate their Pilot or Start-Up
programs. I returning to college at Wayne State University at nights, obtaining my Bachelor's Degree in
Fine Arts, majoring in Design. I was promoted through the years at GM to Engineering Group Manager,
retiring in 1992 after 32 years.
After retiring for a year, one of my old vendor shops called me as they needed someone to interface with
Mercedes Benz in Stuttgart, Germany. I did this for about two years, retiring again in 1996. But being

retired did not mean that I did not keep busy. In 1989 I bought a classic 1956 Chevrolet and joined the
Oakland County Classic Chevy Club, eventually publishing the Club newsletter. I also had joined the
Polish Genealogical of Michigan (PGSM) in 1991, and joined their Board of Directors in 1996. In 2006 I
became the Editor of their journal, “Polish Eaglet.” I did this for 15 years, editing, researching, and
writing many articles. I visited family in Poland five times; the first time in 2002 when my mother took
me to meet them. I made trips in 2008 and 2011 exploring Poland and neighboring countries after my
Polish families. In 2014 and 2016 I took my oldest daughter to meet the family and show her the
wonderful sites of our Polish Heritage.

I am still a Director on the Board at PGSM and write an occa-
sional article for our Polish journal, but
nowadays, after losing my life partner Jean in 2020, I mostly
write short stories of my life memories to
leave my children and grandchildren.

Licht Frank J The Frank J Licht park was named after him.

Licht Frank J Warren Justice 1924, Supervisor 1926-29, 1931, Treasurer 1936-40 Another man who left his mark on the growing communities of the Village of Warren and the Township of Warren was Frank Licht, and it was not just in one area. Early on, he had one of the most unique jobs, and a highly visible one at that. The village needed someone to tend its gasoline street lamps and Mr. Licht was its "Lamp Lighter" for as long as he was needed. We probably have forgotten that early lamps were filled with gasoline at the base and were lighted manually by a long pole with a trigger device. This required the lighter to go to

each lamp at dusk to ignite it and at daylight to extinguish it (filling the base as needed). He is believed to have been the Village's only lighter, but it was not his only job. He went into politics and was elected Township Justice of the Peace in 1914 as a starter. He drew upon his past public exposure then and was elevated to Township Supervisor in 1926 and swept away the competition for six succeeding elections. Not yet finished with public life, he then won election as Township Treasurer for five terms, leaving office finally in 1941 when Frank Wiegand took over. It was during Frank Licht's tenure as supervisor that residential growth was such that private wells along Van Dyke (such as one the Groesbeck family built and had extended down several streets from Studebaker and Van Dyke) were abandoned and the area connected to the Detroit system. By Fred Gemmill

Additional info frank was engaged in the garage business in Warren and as the secretary-treasurer of the Warren service Garage Co. He was born in Royal Oak June 2?, 1885. He was a rural mail carrier in that section until making his present connection in this territory. Supervisor Licht was married in 1908 to Margaret Flynn and is the father of two Eunice and Robert. D March 22. 1912. 9/20/1862 9/20/1865 Is buried in Warren Union Cemetery. A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing

was found wrong with these memorials at a public meeting afterwords. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. See macombhistory.us for details.

Lutz, Fred was the Warren postmaster who came to the village in 1904. He was born in Detroit in 1873. He was a blacksmith and general store proprietor. He operated a hardware store for

many years. He had one son Roy. Fred used to leave the side door of his hardware store unlocked with the understanding that anyone who needed something could come in and get it. Leave a note and come back the next open day and pay for it. From what I heard from the old timers this worked out well both for Fred and the community. Need More Information
